ABOUT

Profile and expertise

Oliver Dean William is an assistant professor of private law specialising in contract law and non-contractual liability law at the University of Lucerne. He also acts as a private expert in matters of general contract law, non-contractual liability law and, in particular, re-insurance law. As a lawyer, he provides advisory support to clients.

As Special Advisor Drafting and Research, Oliver Dean William advises the project group on the Principles of Reinsurance Contract Law (PRICL). He is also rapporteur for the PRICL provisions on loss aggregation and serves as Vice Chair of the AIDA Working Party on Dispute Resolution.

Career

- **Since 2023**
